**Notes:**

- Assets above the threshold value of ₹ two lakh only recorded.
- This disclosure statement does not include assets of Cabinet Secretariat, Central Police Organisations, Ministry of Defence, Department of Space and Atomic Energy as per Fiscal Responsibility and Budget Management Rules.
- Figures compiled on the basis of Reports of Ministries/ Departments, may be impacted, inter-alia by any ongoing reconciliation/ liquidation/ adjudication/ administrative decision relating to valuation of assets and improvement in capture of data. Variation between closing balance at the end of previous reporting year and opening balance at the beginning of current reporting year is mainly due to revision in the opening balance of some financial assets in Department of Industrial Policy and Promotion (₹2,522 crore) and increase in cost of land on account of revision of rates as reported by the Ministry of Housing and Urban Affairs (₹1,651 crore)
